The government have set a target for public sector bodies, 2.3% of their current workforce (based on headcount) are to be apprentices. This target runs from 1 April 2017 to 31 March 2021.

The government have requested public sector bodies to publish their number of apprenticeships annually and report this data to the Department for Education. The first year of annual publication for The Priory Learning Trust was for the period 01 April 2018 to 31 March 2019.

There are 6 questions to be answered and published, they are as follows:

| Question   | Answer |
|--|--------|
| Number of employees who were working in England on 31 March 2019       | 703    |
| Number of employees who were working in England on 31 March 2020       | 718    |
| Number of new employees who started working for you in England between | 115    |
| 1 April 2019 and 31 March 2020   |        |
| Number of apprentices who were working in England on 31 March 2019     | 9      |
| Number of apprentices who were working in England on 31 March 2020     | 11     |
| Number of new apprentices in England between 1 April 2019 to 31 March  | 14     |
| 2020 (includes both new hires and existing employees who started an    |        |
| apprenticeship)  |        |

## Reporting percentages

| Percentage of apprenticeship starts (both new hires and existing employees | 12.17% |
|--|--------|
| who started an apprenticeship) as a proportion of employment starts        |        |
| between 1 April 2019 and 31 March 2020                                     |        |
| Percentage of total headcount that were apprentices on 31 March 2020       | 1.53%  |
| Percentage of apprenticeship starts (both new hires and existing employees | 1.99%  |
| who started an apprenticeship) between 1 April 2019 and 31 March 2020 as   |        |
| a proportion of total headcount on 31 March 2019                           |        |
